### Remarks

Welcome to this spacious and beautifully maintained 2 bedroom, 2 bath manufactured home built in 1994 and located in the desirable, pet friendly, land owned community of Harbor Isles. This light-filled home features vaulted ceilings and an open, welcoming layout that feels bright and airy throughout. The remodeled kitchen is both functional and stylish, offering an abundance of cabinetry, stainless steel appliances, and solid surface countertops, making it perfect for everyday living and entertaining. The home is being offered turnkey furnished and includes a wonderful Florida room with tile flooring, acrylic windows, and its own air conditioning, providing comfortable year round living space. A screened lanai is conveniently located on the side of the home, ideal for enjoying the Florida breeze, and there is also a shed with a workbench for additional storage and projects. Both bedrooms are generously sized and feature walk in closets. The primary suite includes double sinks in the bath along with an additional closet for extra storage. Recent updates add peace of mind and value, including a new hot water heater and replumbing completed in 2025, a 2023 roof, 2017 air conditioning system, a 2025 refrigerator, a 2024 dishwasher, and a contract in place to replace all exterior windows.
